

# Serie ABS Basic

Thermoplastic ABS wall-mounting cabinets

**Reference : ABS352515**

ABS wall-mounting cabinet 350x250x150 with mounting plate

## Features

|                                               |                        |
|-----------------------------------------------|------------------------|
| Application:                                  | Automation and control |
| Apto para instalación en exterior:            | No                     |
| Type of installation:                         | Wall-mounting          |
| Piece dimensions Height x Width x Depth (mm): | 350 x 250 x 150        |
| Calidad del material:                         | ABS HB                 |

## Technical data

|                       |      |
|-----------------------|------|
| Protection degree:    | IP65 |
| Resistance to impact: | IK08 |

## Dimensions

|                                               |                 |
|-----------------------------------------------|-----------------|
| Piece dimensions Height x Width x Depth (mm): | 350 x 250 x 150 |
| Wall-mounting Height x Width (mm):            | 230 x 175       |
| Usable inner space - Height (mm):             | 307 x 200 x 0   |

## Additional features

|                         |                                                                                        |
|-------------------------|----------------------------------------------------------------------------------------|
| Door/window/lid type:   | Opaca única                                                                            |
| Reversible door:        | Yes                                                                                    |
| No. of doors:           | 1                                                                                      |
| Body type:              | Compact                                                                                |
| Lock type:              | Triángulo 10                                                                           |
| Plate:                  | Yes                                                                                    |
| Plate type:             | Plain                                                                                  |
| Placa ajustable:        | No                                                                                     |
| Placa perforada:        | No                                                                                     |
| No. locks:              | 2                                                                                      |
| Cierre - Tipo llave:    | Triangle Triangle key included                                                         |
| Modelo mural apoyado:   | No                                                                                     |
| Módulo en esquina:      | No                                                                                     |
| Montaje intermedio:     | No                                                                                     |
| Tejadillo inclinado:    | No                                                                                     |
| Additional Information: | Wall-mounting support Ref. 29584; Triangle key Ref. 29583 and assembly plate included. |

## Materials

|                       |                  |
|-----------------------|------------------|
| Plate material:       | Galvanised steel |
| Seal material:        | Polyurethane     |
| Color:                | Grey RAL 7035    |
| Plate thickness (mm): | 1                |

## Maximum loads

---

## Electrical properties

---

Maximum voltage (V): 1000 AC / 1500 DC

Dimensional stability temperature range (°C): -35 / +65

Power dissipation:

Power dissipation P(W) as a function of temperature increase ?T (°C)

| 20   | 25   | 30   | 35   | 40   |
|------|------|------|------|------|
| 18.9 | 23.6 | 28.3 | 33.0 | 37.7 |

Data calculated according to IEC TR 60890 using the method for verifying temperature rise in low-voltage switchgear and controlgear assemblies.

---

## Certificates and regulations

---

Directive: 2014/35/EU

Norms: UNE-EN 62208

---

## Packaging

---

Type d'emballage: BX

U.M. Embalaje - Unitario: C62

Minimum amount of sale: 1

dimensiones\_embalaje\_unitario\_alto\_ancho\_prof\_m: 0.35 x 0.25 x 0.15

Package weight (kg): 2.2

Peso bruto unitario (kg): 2.42

---
