## Electrical properties

## Materials

|                       |              |
|-----------------------|--------------|
| Calidad del material: | Rolled steel |
|-----------------------|--------------|

|                                  |               |
|----------------------------------|---------------|
| Material es libres de halógenos: | No            |
| Color:                           | Grey RAL 7035 |
| Templado:                        | No            |

## More information

|                  |                                                                                                                                                                                                                                    |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Characteristics: | Used to place busbars outside the main cabinet. It can be placed at the top or the bottom.                                                                                                                                         |
| Technical data:  | All components are reversible, thus guaranteeing quick and straightforward installation. In order to obtain the complete set, you must request the CE busbar chamber plus PLCE side panels, depending on the depth of the cabinet. |
