

# Serie Gold-MM Multimedia

IP40 Flush-fit with metal door multimedia boxes

**Reference : GMEM70PO/PH**

IP40 Multimedia boxes. Flush-fit enclosure with multimedia plate  
550x295 +14 modules

## Features

|                                    |                        |
|------------------------------------|------------------------|
| Application:                       | Tertiary (residential) |
| Apto para instalación en exterior: | No                     |
| Type of installation:              | Flush-fit hollow walls |
| Calidad del material:              | Rolled steel           |

## Modular capacity

|                             |      |
|-----------------------------|------|
| Capacity/Number of modules: | 1x14 |
| Number of rows:             | 1    |

## Technical data

|                            |          |
|----------------------------|----------|
| Protection degree:         | IP40     |
| Resistance to impact:      | IK08     |
| Glow wire resistance (°C): | 850      |
| Double insulation:         | Class II |

## Dimensions

|                                                  |                       |
|--------------------------------------------------|-----------------------|
| Piece dimensions Height x Width x Depth (mm):    | 877 x 387 x 97        |
| hueco_empotrar_alto_ancho_profundo_mm:           | 844 x 354 x 87        |
| Rear cable entry (mm):                           | 2x[2xM25-1xM32-1xM40] |
| Left cable entry (mm):                           | 8xø50-1x(80x54)       |
| Dim. placa - Alto (mm); Dim. placa - Ancho (mm): | 550 x 295             |

## Additional features

|                         |                                                                    |
|-------------------------|--------------------------------------------------------------------|
| Door/window/lid type:   | Opaca                                                              |
| Reversible door:        | No                                                                 |
| UV protection:          | No                                                                 |
| No. of doors:           | 1                                                                  |
| Lock type:              | Cierre a presión                                                   |
| No. locks:              | 1                                                                  |
| Cierre - Tipo llave:    | Without key Possibility of lock with key as accessory (ref. 22040) |
| Tipo de cubierta:       | Door                                                               |
| Versión de la cubierta: | Closed                                                             |
| Sealable:               | No                                                                 |
| Enlazable:              | Yes                                                                |
| Neutral and earth bars: | No                                                                 |
| Incorpora Raíl DIN:     | Yes                                                                |
| Plate:                  | Yes                                                                |
| Plate type:             | Micro-perforated                                                   |
| Placa ajustable:        | No                                                                 |
| Placa perforada:        | Yes                                                                |

## Materials

|                                 |               |
|---------------------------------|---------------|
| Materiales libres de halógenos: | Yes           |
| Base material:                  | ABS           |
| Frame material:                 | Rolled steel  |
| Door/window/lid material:       | Rolled steel  |
| Chassis lid material:           | ABS           |
| Lock material:                  | ABS           |
| Base colour:                    | Grey RAL 7035 |
| Frame color:                    | WhiteRAL 9003 |
| Door color:                     | WhiteRAL 9003 |
| Acabado:                        | Liso          |

## Electrical properties

### Power dissipation:

Power dissipation P(W) as a function of temperature increase  $\Delta T$  (°C)

| 20   | 25   | 30   | 35   | 40   |
|------|------|------|------|------|
| 36.6 | 45.7 | 54.9 | 64.0 | 73.2 |

Data calculated according to IEC TR 60890 using the method for verifying temperature rise in low-voltage switchgear and controlgear assemblies.

## Certificates and regulations

## Packaging

|                                                  |                       |
|--------------------------------------------------|-----------------------|
| Type d'emballage:                                | BX                    |
| U.M. Embalaje - Unitario:                        | C62                   |
| Minimum amount of sale:                          | 1                     |
| dimensiones_embalaje_unitario_alto_ancho_prof_m: | 0.894 x 0.399 x 0.108 |
| Package weight (kg):                             | 6.635                 |
| Peso bruto unitario (kg):                        | 7.299                 |

## Codes

|                   |               |
