## IP66 Steel wall-mounting cabinets accessories

**Reference : PIN8080**

Rolled steel inner door for wall-mounting cabinets 800x800

## Features

|                                           |                                                                                                          |
|-------------------------------------------|----------------------------------------------------------------------------------------------------------|
| <b>Series compatibility:</b>              | ARGENTA LAMINADO - ARMARIO MURAL, ARGENTA GALVANIZADO - ARMARIO MURAL, ARGENTA ATEX - ARMARIO MURAL ATEX |
| <b>Product compatibility:</b>             | For 800-mm high and 800-mm wide cabinet.                                                                 |
| <b>Apto para instalación en exterior:</b> | No                                                                                                       |

## Additional features

|                                 |                 |
|---------------------------------|-----------------|
| <b>Placa perforada:</b>         | No              |
| <b>Placa ajustable:</b>         | No              |
| <b>Reversible door:</b>         | No              |
| <b>Lock type:</b>               | Doble barra 5   |
| <b>No. locks:</b>               | 2               |
| <b>Closure - No. of points:</b> | 1 point         |
| <b>Cierre - Tipo llave:</b>     | 5 mm double-bit |
| <b>Plate:</b>                   | No              |

## Dimensions

|                                                      |               |
|------------------------------------------------------|---------------|
| <b>Piece dimensions Height x Width x Depth (mm):</b> | 800 x 800 x 0 |
|------------------------------------------------------|---------------|

## Technical data

|                           |      |
|---------------------------|------|
| <b>Protection degree:</b> | IP66 |
|---------------------------|------|
